OUR TEAM

this is a beautiful family adventure for us - and we're honoured to share it with you...

In 2018, after years of searching for the perfect location, we discovered a truly remarkable property nestled in the heart of the Sunshine Coast Hinterland. Enchanted by its sweeping views, rich natural beauty, and striking rockwork, we knew immediately that this was a place destined for something extraordinary.

Maleny Country Estate is our family's vision brought to life — a luxury wedding destination where elegance meets authenticity. As custodians of this land, we, Michael, Victoria, and Amanda, have dedicated ourselves to crafting an experience that is both breath-taking and deeply personal.

We've meticulously curated every detail of the estate, creating a collection of intimate spaces that allow couples and their guests to truly connect with the landscape and each other. From elegant ceremony backdrops to considered reception settings, our aim has always been to offer versatility without compromise — a setting that adapts to your vision with grace and style.

To ensure every element met the highest standard, we consulted extensively with industry leaders — from photographers and florists to stylists and planners — to integrate thoughtful inclusions that elevate both the guest experience and the ease of working with our venue.

One of our greatest luxuries is space — and with it, the ability to host up to 70 guests onsite. This rare offering allows your celebration to unfold effortlessly, giving your loved ones the freedom to stay, relax, and be fully immersed in the moment.

As a family, we're proud to have engaged almost exclusively with local artisans, tradespeople, and businesses throughout our journey — a reflection of our commitment to community, craftsmanship, and sustainability.

Maleny Country Estate is more than a venue. It's a sanctuary of celebration, created with love, and offered with care. We look forward to welcoming you and helping you create a wedding that is as unforgettable as the estate itself.

ACCOMMODATION

Why not stay the night

PLAN THE ULTIMATE WEDDING WEEKEND

At Maleny Country Estate, your wedding isn't just a day—it's an entire experience. With flexible, on-site accommodation for up to 70 guests, we invite you and your loved ones to truly settle in and make the most of every moment.

No need for designated drivers, shuttle buses, or juggling off-site bookings—your guests can stay right here on the estate, just a short stroll from the celebration. It's all part of creating a seamless, stress-free weekend where everything and everyone is in one place.

Our private cottages, studios, and chalets are thoughtfully placed across the estate, offering a sense of seclusion, space, and immersion in nature. Each is individually styled with a curated blend of modern comforts and countryside character—think crackling indoor fireplaces, inviting outdoor firepits, antique details, plush soft furnishings, and original artworks that make every stay feel bespoke.

Every detail has been considered, from premium linens and luxury amenities to fully equipped kitchens and inviting lounge spaces. Whether you're gathering for a welcome dinner the night before, a poolside recovery brunch the morning after, or simply enjoying a slow morning with coffee and the view, this is a stay that feels as special as the celebration itself.

With the option to reserve the entire estate or select individual accommodations for your group, we offer the flexibility to plan a weekend that works perfectly for you and your guests.

THE ESTATE HOUSE

A luxurious beginning to your special day

START YOUR DAY RIGHT

We know that having the right space and atmosphere to get ready in is paramount to the perfect wedding day. The Estate House has it all.

The jewel in our crown and our favourite accommodation space on the estate. The Estate House, our two-storey, luxury suite, has been thoughtfully designed and transformed with wedding parties in mind.

Drenched in natural light, overlooking the swimming pool and panoramic views of the Blackall Range, it is the perfect backdrop. Open and airy spaces with muted white and cream tones, decorated with delicate, tasteful and homely country style, the stage is set for a truly beautiful start to your big day.

The upper level boasts 5 bedrooms, 3 bathrooms, 2 full kitchens, air conditioning, a fireplace, and 2 large living spaces. Giving your bridal party all the space you need to spread out, sip mimosas and enjoy getting ready together. Our purpose-designed makeup room, fitted with 3 full stations and front-lit mirrors makes it a breeze for your hair and makeup artist to set up and do their magic.

The lower level of The Estate House is a stylish and moody setting for any groom's or second wedding party to get ready. The newly added dressing room has an elegant whiskey room vibe, rich furnishings, air conditioning and mini-bar. Complemented further by the library and fireplace, dining room and TV and games room, complete with a Pool Table, Darts and Ping Pong table.

The lower level has been consciously designed as a communal space, perfect for a post-reception nightcap or an early morning breakfast/coffee with your guests who stay onsite.

A 2-Night Stay in the Estate House coupled with a gourmet wedding breakfast box from Maleny Food Co. is included in all our Wedding Packages.

THE STUDIOS

Effortlessly refined, perfectly private

Nestled in a quiet corner of the Estate, The Studios offer a laid-back yet elevated space, thoughtfully designed for the grooms or any secondary wedding party to prepare in comfort and style.

Positioned away from The Estate House and other accommodation, The Studios provide a calm and private setting — ideal for morning rituals, shared moments, and capturing effortlessly styled portraits before the celebration begins.

Each of the three suites is styled like a spacious double hotel room and features two queen beds, a private bathroom, and a well-appointed kitchenette with everything you need for a relaxed stay. Thoughtfully designed interiors pair antique details with warm tones and natural textures to evoke a sense of understated luxury.

Sleeping up to 12 guests across all three suites, The Studios also make an ideal accommodation option. Available as an exclusive add-on to your wedding package, it's the perfect place to start the day in comfort, privacy, and impeccable style.

THE STONE COTTAGE

Romance awaits you

THE HONEYMOON SUITE

Tucked into a quiet corner of the estate, The Stone Cottage is our secluded honeymoon suite — a romantic and restful space designed just for two.

Wrapped in handcrafted stonework and surrounded by lush gardens, this beautifully appointed cottage blends rustic charm with refined luxury. Inside, you'll find a king-size bed dressed in premium linens, a crackling wood-burning fireplace, and a deep soaking tub beneath a cascading chandelier, for long, quiet evenings.

A private veranda opens onto views of the estate's rolling hills and treetops, making it the perfect place to sip coffee in the morning light or toast to your first sunset as newlyweds. Every detail has been thoughtfully considered — from cosy textures and bespoke furnishings to curated books, art, and vintage finds.

Whether you're staying the night of your wedding or treating yourselves to a longer escape, The Stone Cottage is the perfect place to unwind, reconnect, and begin your next chapter in complete privacy.

COTTAGES

1, 2 & 3 BEDROOM COTTAGES

Looking for a weekend away with friends or a cosy couples escape? Our 1, 2 and 3 bedroom cottages are the perfect escape.

Set along the middle ridge and upper valley of the estate our single level suites have everything that you will need to feel right at home; equipped with modern appliances, cosy fireplaces, and private nooks to quietly sip your coffee or wine and take in the breath-taking views.

CHALETS

3 BED ALPINE LOFT CHALETS

Wake up to the sounds of birdlife and the breeze whispering through the trees. Our Swiss-inspired chalets are perfectly positioned along the upper ridge of the estate, surrounded by an array of towering trees.

These modern chalets capture the beauty and simplicity of alpine style, with timber features and furnishings throughout, cosy soft furnishings and carefully sourced décor make you feel right at home. Positioned roughly 50-100m apart you will have a truly private space.
